

# • GRISEL SÁNCHEZ •

**Front-end web developer** with UX design and back-end experience, having developed 15+ web applications over the course of 4 years.

I develop responsive, interactive, and performant applications, using good programming practices that provide modularity and maintainability.

## • EDUCATION •

**2018 - current • Information Systems Engineering**

Universidad Tecnológica Nacional (UTN)

Part-time student, currently in my fourth year.

## • WORK EXPERIENCE •

**2020 - current • Web Developer**

Magnético

- Write maintainable, scalable, and performant code for a diverse array of clients.
- Work with a variety of different languages and frameworks such as **JavaScript**, **TypeScript**, **Gatsby**, **React**, and **Node.js**.
- Collaborate with several **Agile** teams using **Jira** and **Git**.
- Implement system and application designs, ensuring cross-browser compatibility and responsiveness.
- Identify and correct bugs and bottlenecks.
- Assist in the development of system architecture and UX design.
- Write unit and integration tests.

**2018 - 2020 • Full-Stack Web Developer**

Freelance

- NoteNet: Full-stack note-taking web app.
- Pixionary: Multiplayer game.
- Servipan: Landing page to showcase products.
- Thought Cloud: Full-stack social network.
- Portfolios for developers, designers and photographers.
